

Things To Consider For Your Child's Day

Program	Things you provide Please label everything	Special notes:
Preschool Group	Extra clothing Wipes (optional) Extra shoes Sunscreen Water bottle Blanket Pillow Comfort toy for rest period Room 103: all items can be placed in a backpack in your child's cubby. Room 102: all items must be placed in the cubby, no room for backpacks	We provide well balanced snacks and a hot lunch daily Due to highly sensitive and life-threatening food allergies, please do not send any food items from home. If your child requires special accommodations, please inform the centre, and we will make the proper arrangements with the caterer. We will provide sheets for the cots. A quick drop-off makes the transition into their school day much easier..stay a few minutes, and then let us take over.
Kindergarten Group	Extra clothes Extra shoes Sunscreen Water bottle	We provide snacks daily. You provide lunch during instructional days. PD Days March Break and winter break we provide hot lunches for full time children The program is closed to part time children on non instructional days.
School-age	Extra clothes Extra shoes (optional) Sunscreen Water bottle	We provide snacks daily. You provide lunch during instructional days. PD Days March Break and winter break we provide hot lunches for full time children The program is closed to part time children on non instructional days.

Toys:

The centre has an abundance of toys and materials to keep all the children busy. Please refrain from sending "home toys" to school with your child. This gives all the children a sense of equity and it also prevents lost and broken "home toys". On special occasions your child's teacher will let you know if home toys will be necessary (e.g. show and tell days)

Clothing

Your child should always have a complete change of clearly labeled clothing at school regardless of their age. Accidents happen and we want them to be prepared and comfortable.

As the seasons change, your child should be appropriately dressed for the weather. We continue to go outdoors unless there is an extreme weather alert.

Children are very busy and can get messy in their activities at times. Please dress your child in clothing that is comfortable, simple to get on and off and can be "messed up".

Footwear

Safe footwear is extremely important. Please ensure that your child has closed toe, non-slip shoes at all times. We do not allow open toe shoes or sandals. Running shoes are preferred because of their very active physical play both indoors and outdoors. During transitional seasons indoor and outdoor shoes may be required..and definitely boots during cold snowy months.

Staff always welcome interactions with your child's families; if you require a longer conversation, please call ahead and book a mutually convenient time.
