### **Welcome Everyone!**

Rippleton Roadsters Child Care and Satellite Program has started another exciting year and I would like to welcome all our families back to our program. For those of you that participated in our summer program, we would like to thank you for helping us make this summer a success. For the families that took the summer off and are returning from vacation we would like to welcome you back and we look forward to helping you transition back into the classroom as we begin another fun and exciting school year!

Once again, the summer was a busy one and brought many changes to our continuously growing program. We look forward to all these changes and are excited to meet all the new faces entering the 2019-2020 school year!

### **Annual General Meeting**

This year our Annual General Meeting will be held on Thursday, October 3, 2019 at 6pm at Rippleton Public School in the gym. More detailed information will be distributed to you very soon. I encourage you to consider running for a position on the Board, because without a Board of Directors the childcare cannot operate.

### **Sandbox Database**

We are very excited to introduce to you our new database-SANDBOX. You should have received an email with instructions on creating a username and password, email Denise at [denise@rippletonroadsters.ca](mailto:denise@rippletonroadsters.ca) for further instructions.

Basic changes can be made on the App but the majority need to be done on a laptop or desktop computer. The SANDBOX App is still building, and updates will follow.

Please make any necessary changes immediately so that we can confirm the information and print the updated information for your child's file.

### **Website**

I would also like to inform you all that our website will be updated regularly so please make time to visit us at [www.rippletonroadsters.ca](http://www.rippletonroadsters.ca) in order to keep up with news about the program. This also means that our newsletters will be posted on the website as we will strive to be paperless and do our part to help the environment.

Your feedback is important to us, I would also like to extend an invitation for you to submit a testimonial via email to be posted on our website; please visit the childcare office in person, or contact us by phone or email at [denise@rippletonroadsters.ca](mailto:denise@rippletonroadsters.ca) or [pela@rippletonroadsters.ca](mailto:pela@rippletonroadsters.ca)
