

October 2019

We held our Annual General Meeting to elect our new board of Directors on October 3rd, and we were very excited to see all the new faces who came out. I would like to thank everyone for attending and supporting our program. Without the Board our center would not be able to operate, I would also like to thank our new members for giving us their time and commitment in the months ahead.

Classroom News!

I am happy to announce that our program is in full swing and all the children are busy in their programs. The children have settled nicely into their routines and are busy in their newly decorated classrooms! If you haven't had a chance to see all the great things that the children have started, take a moment and have a look to check out all of their great ideas, projects and progress in the last month as we head into October.

The fall season brings so many opportunities to explore the changes in the environment, the children have been noticing the colours changing, the cooler weather and all the holiday celebrations beginning.

The Preschool and Kindergarten groups have already endeavored into collecting all that nature has to offer and bringing their outdoor classroom indoors to explore and discover.

The school age children have been signing up for various activities/clubs within their classrooms. Their work is on display on the walls and in their rooms; if you have a moment, please stop and have a look at their interests and ideas.

PD Day

Friday October 11, 2019 is our first PD Day of the year. If you are registered in the BEFORE AND AFTER programs you are able to bring your child in for the entire day and we will be providing lunch. If you are registered in a BEFORE ONLY or AFTER Only the program will be **closed**. Unfortunately, with all our programs at capacity we will **not** be able to offer extra care on those days.

Strange Weather

Is it summer or is it fall? please ensure that your children have proper attire for outdoor play; this may include a warm jacket or sweater and hat, but it may also mean light clothing and sunscreen. Please check the weather and ensure that your children are comfortable when we are outside. Also, please label everything with your child's name to prevent lost or misplaced items.

Thanksgiving!

We will be **closed** on Monday October 14 for Thanksgiving!

We hope that everyone has a great long weekend, and we look forward to all the celebration stories from your children!
