

Season's Greetings Everyone!

December is a very busy month; especially here at Rippleton Roadsters! Please take the time to read this newsletter carefully and mark down all the important dates!

Craft Night- Thursday December 12th, 6:30pm-8:30pm at Rippleton Public School

Craft night is a very special night. All the child care staff, school staff, children and all our families come together to enjoy a fun filled evening making holiday crafts. Please look for the invitation that went out at the beginning of the month detailing all the information.

On this night please ensure that your child is accompanied by an adult at all times to supervise and assist the children as they move around from one craft to another. The teachers will be there to facilitate and host the event, but will not be responsible for the supervision of the children. The childcare will still close at 6pm and the children are expected to be picked up by that time.

Toy Drive

Rippleton Roadsters will be collecting new unwrapped toys for our Annual TOY DRIVE. Please look for boxes outside your child's classroom and help us fill them so that we can help everyone's holidays be as joyful as ours!

Holiday Surveys

A letter regarding your holiday schedule went out last week. Please take the time to fill it out as accurately as possible and return it to your child's teacher by the due date. These surveys are important in helping us plan our program over the holidays.

Weather

We would like to kindly remind everyone to continue to send the children to school appropriately dressed for the winter weather. Please ensure that your child is properly dressed for outdoor play as we like to be outside as much as possible in the morning and in the afternoon. The children require a warm coat, waterproof mitts, hats, boots and snowpants. Extra clothes should always be available in your child's cubby at all times, as well. Please label all your child's clothing so that we are able to help prevent lost or misplaced items. If you have questions about indoor/outdoor clothing, please do not hesitate to ask your child's teacher for suggestions.
