

POPSICLE STICK HARMONICA

ELECT # 2.3 Showing pride in work and achievement.

ELECT # 3.3 Conversing with peers and adults.

Materials needed:

1. 2 popsicle sticks (wide ones)
2. 2 rubber bands (you could also use string)
3. A strip of paper the same size of popsicle sticks
4. 2 toothpicks cut the width or just wider than the popsicle sticks.

How to assemble your DIY musical instrument:

- Sandwich the paper strip between the two popsicle sticks.
- Wrap a rubber band around one end until it is snug.
- Slide a toothpick to the inside of the rubber band.
- Sandwich the last toothpick at the other end of the popsicle stick and wrap with rubber band.
- Simply blow or suck air to make unique noises. You can also try pinching the popsicle sticks together to see what new noises you can create.

Suggestions:

Try placing one toothpick on top of the paper and one toothpick under the paper.
