

FROZEN WATERMELON POPS

INGREDIENTS

1/4 watermelon
Vanilla yoghurt, to serve
Fruit (such as pomegranate seeds and chopped mango, peach, blueberry, raspberry, kiwifruit and strawberry), to serve

Step 1

Line a baking tray with baking paper. Cut the watermelon into wedges. Insert popsicle sticks. Place on the lined tray. Freeze for 1 hour.

Step 2

Spoon yoghurt over the watermelon on the tray. Sprinkle with fruit. Freeze again until firm.

Enjoy!
