

## PETE THE CAT FEET PAINTING

ELECT 2.2 Identify Formation

THIS IS ACTIVITY IS GOES WELL BY READING “Pete the Cat: I Love My White Shoes”.  
[https://youtu.be/fj\\_z6zGQVyM](https://youtu.be/fj_z6zGQVyM)

### WHAT DO YOU NEED

- Roll of white paper or several pieces taped together
- Water
- Paints – red, blue and brown
- 4 large containers

### HOW TO PLAY

1. Set up a long piece of white butcher paper outside.
2. Next I set up four stations based on the book. Red paint for the strawberries. Blue paint for the blueberries. Brown paint for the mud. And finishing with a container of warm water just like the book.

3. Space the containers of paint and water evenly on the paper in the same order Pete approaches them in the book- red, blue, brown and water.

4. Next give each child the chance to walk through the containers and get messy just like Pete! Please be careful when walking. It can be slippery to walk in paint so make sure to remind the children to walk slowly. Some children may need you to hold their hands as they walk on the paper.
